KEEPING YOU POSTED DECEMBER AT THE POTTING SHED

Following the compulsory closure on the 4th November we have made the tough decision to remain closed for the month of November in order to plan for a very different December.

This closure for the month will also give our loyal, hardworking staff a well earned break after a difficult, busy summer and will allow them to return in the festive spirit to help you enjoy Christmas at The Potting Shed.

We are planning *TWO* Decembers, depending on the government decision for the 2nd December.

DECEMBER 1

To re open fully, seven days a week serving our usual breakfast and lunch menu.

Festive menu served at lunchtime 7 days per week.

Full selection of freshly baked cakes.

Full selection of home made ice cream.

Full hot drinks menu prepared by our trained baristas.

Saturday evening Festive Dinner Night.

DECEMBER 2

Weekend Daytime takeaway of Hot roast sandwiches, Hot Drinks, home made cakes and home made ice creams.

Friday office party afternoon tea.

Saturday evening Take away Festive Dinner Night.

Sunday Take away Festive Afternoon Tea.

CHRISTMAS DAY

We are hoping with everything crossed that we can remain open for our loyal customers to celebrate Christmas Day at The Potting Shed.

We are also offering a Christmas Day take away.

Once the menus are finalised we will advertise them on our website
